11. Based on the foregoing, and the accompanying Memorandum of Law, I request that the subpoena for my testimony be quashed, so that I do not have to devote time and expense, including attorneys' fees, to provide testimony in a case to which I am a complete stranger and to travel from my home in Connecticut to New York City in order to do so.

I declare under the penalty of perjury that the foregoing is true and correct.

Executed on 10/13, 2013.
